

### Activity 3, Student Worksheet 1: The Preliminary Interview Questions

Student Name \_\_\_\_\_ Date \_\_\_\_\_

#### Directions

*The purpose of the preliminary interview is to help guide your pre-interview research. To do this, you must obtain a few critical pieces of information from your veteran. Use the space below to develop questions that will help you when conducting your research. REMEMBER: this is not the official interview; the information you collect here should be just enough to guide your background study.*

#### Personal Information

Name:

Branch of service:

Rank:

Drafted or enlisted?

Age when signed up/drafted:

What were you doing prior to military service?

Military job description:

#### Time period of participation in Vietnam

Dates spent in Vietnam:

Did you witness any major events while you were there? (Operation Rolling Thunder, Tet offensive?)

How many tours did you serve?

Notes:
