**Potential scenarios /settings from the novel for board game spaces:**

<b>Where</b>	<b>Why (offer a little description and say a few words about why you think it's important)</b>
The Murry family kitchen	A kind of home base where Meg is safe from the storm, from other kids, with her mother and younger brother; warm and bright
The haunted house	First stage of weirdness, of the unexplainable, where creatures exhibit super-human powers; dark and dirty
